Are you sending more to Europe than you thought?

Did you know there is a greener way to send your parcels to Europe? With up to eight times less CO₂ emissions generated and substantially lower costs, it makes ecological and economic sense to send parcels to Europe by road using our CLASSIC service.

DPD CLASSIC is one of the fastest, most reliable road delivery services in Europe and with 500 depots across Europe we deliver up to two million parcels every day.

You can check the reduction in CO₂ emissions for your parcels with our unique ECO Calculator on our website www.dpd.co.uk

For more information on our DPD CLASSIC service, please call **0845 9 505 505**.

DPD International Mail – the easy, cost effective way to send your mail overseas

Our international mail service feeds directly into the extensive La Poste network and offers substantial savings over conventional international postage.

This service is ideal for international bulk mailshots, i.e. statements/invoices, Christmas mailings, catalogues and direct mail campaigns.

If you are planning any mailshots or would like more information, call us now for a quote on **0845 9 505 505** or email mail@dpd.co.uk

A new quick and easy way to manage your collections

You can now request, cancel or check the status of a collection by calling our automated phone service on **0844 824 0501**.

This service will enable you to;

- create a new collection 24/7, even when our call centre is closed
- rebook a failed collection for a more suitable date
- establish if an arranged collection has taken place
- cancel a collection that you no longer need

It's simple, just call our automated telephone system on **0844 824 0501**, available all day, every day.

A Diamond Service from the Emerald Isle
