

reverseit

The smarter returns service

technology delivering

If your company needs a return solution,
our **reverseit** service is for you

Always be in control of your returns with **reverseit**. Recall and relocate stock at your convenience and track it online.

**Organise and track your collections,
deliveries and returns all online**

Our driver makes your delivery...

... and collection all in one

**Your store or site simply applies the
returns labels**

The benefits

For you:

- Always in control of your stock
- Recall stock when you want
- Track it all online
- Simple to move goods back to return addresses

For your store or site:

- Automatic collections, no need to call or book online
- Pre-supplied labels for returns
- Hassle-free movement of stock between store or site
- Simple and convenient
